## Information Security

HealthHero Integrated Care (formally Medvivo Group Ltd) operates an ISO27001 accredited Information Security Management System (ISMS) to ensure the continued confidentiality, integrity and availability of all information assets controlled and used by HealthHero Integrated Care.

The ISMS includes a Business Management System Manual, a Statement of Applicability, an Information Security Policy and a range of specialised supporting policies and procedures which are available to all persons working for or on behalf of HealthHero Integrated Care.

The Information Security Policy describes how HealthHero Integrated Care manages the ISMS and is available to interested parties as appropriate. If you would like to see a copy of our Information Security Policy, please contact us via: [InformationSecurity@HealthHero.com](mailto:InformationSecurity@HealthHero.com)
